CITY OF DANBURY

City Council

June 29, 2015

Hon. Members of the City Council
155 Deer Hill Avenue
Danbury, CT 06810

Dear Council Members:

We are requesting the appointment of an Ad Hoc Committee to review a proposal for a Disc Golf Course within a city park. The courses are environmentally friendly, require very little maintenance, which is usually done by volunteers and there is no cost to the taxpayers.

Disc Golf is challenging and rewarding for people of all ages and backgrounds and can co-exist amicably with other recreational activities in parks. Many of our progressive neighboring towns and cities already offer their residents such outdoor recreational amenities.

This is a viable option for the City of Danbury to broaden health-related recreational opportunities for its citizens.

Truly,
